WE ARE RECRUITING

All children are offered the HPV vaccination in school year 8

The evidence shows one jab offers excellent and long-lasting protection, so we will now offer one dose instead of two

Be sure to return the vaccination consent form to help protect your child.

It is highly effective at protecting against cervical cancer and genital warts, and should also prevent a range of other cancers...

Fit notes need to be printed and link to be leg

I might swallow medicines I find

BMG patients, we understand that going for a breast screening isn't always the best way you could spend an afternoon or morning away from our loved ones or work! ❤️ It can feel uncomfortable, embarrassing and may even pose sensitive cultural or religious challenges. 🙋 But remember, early detection is key. 🙋 Breast screening is designed to find cancers early, giving you the best chance for treatment and recovery. 🌟

When you receive your invite letter, please don't delay ... See more

What to Expect During a Mammogram

1. Fill out pre-test questionnaire
2. Each breast is compressed horizontally between two plates for imaging
3. Each breast is compressed diagonally between two plates for imaging

****IF YOU ARE ELIGIBLE FOR THIS VACCINATION PLEASE CONTACT THE SURGERY AND WE WILL GLADLY GET...**

The RSV vaccine helps protect against respiratory syncytial virus (RSV). RSV is a common cause of coughs and colds. Most people get it several times during their life. It usually gets better by itself, but in some people (especially babies and older adults) it can cause illnesses such as pneumonia & bronchitis. These illnesses can cause serious breathing problems. They may need to be treated in hospital and can be life-threatening. Getting RSV can also make your symptoms worse if you have a lung condition.

[It's Organ Donation Week!](#)

This week, we raise awareness about the life-saving impact of organ donation and why it matters so much. Every day, people wait for vital organ transplants that can transform or save their lives.

Why is Organ Donation Important?

Sa... [See more](#)
